ONLINE BANKING UPGRADE

We have upgraded our computer system, and your VFCU online banking experience has been improved!

Let us get started! You will need to login for the first time using the instructions specified in the upper right column of this page. Once you have logged in, you will be prompted to complete the security setup and will be required to change the temporary password to a permanent password you will use in the future. You will also change your username from your account number to a unique username. Enjoy your new online banking!
